

CERTIFICATE OF COMPLIANCE

This certificate of compliance has been prepared for the following Coloramics, LLC (d.b.a. Mayco Colors) products:

- Mayco branded and private label ceramic glazes
- Mayco branded and private label acrylic paints
- Mayco branded and private label fired/non-fired accessory products

All Mayco products certified herein are manufactured in the Hilliard, Ohio facility. Each product label bears a manufacture lot code. The first two digits after the “#” indicate the year of manufacture (example: Lot#07XXXX – the year of manufacture is 2007.) Exact dates of manufacture are available upon request.

Mayco products are defined according to the following federal regulations and subsequent provisions:

- Federal Hazardous Substances Act (15 U.S.C. §§1261–1278)
 - Art materials were specifically defined by the LHAMA Act of 1988 (Sec. 23 Labeling of Art Materials [15 U.S.C. §1277])
- Title 16, Code of Federal Regulations, section 1500.14 (b)(8), Labeling and Testing of Art Materials, paragraphs (i)(A-G)

Mayco products conform to ASTM D 4236 (as delineated in 16 CFR Ch.II, 1500.14 (b)(8)(i) – ASTM D 4236). Products are reviewed by a toxicologist as necessary and/or at least every 5 years (16 CFR Ch.II, 1500.14 (b)(8)(i)(C)(6)).
