

# LESSON PLAN

## ZEN TANGLE PLATE

### PRODUCTS AND TOOLS USED

- MB-101 Coupe Salad Plate
- Soft bristled round brush
- Water
- Sponge
- Pencil

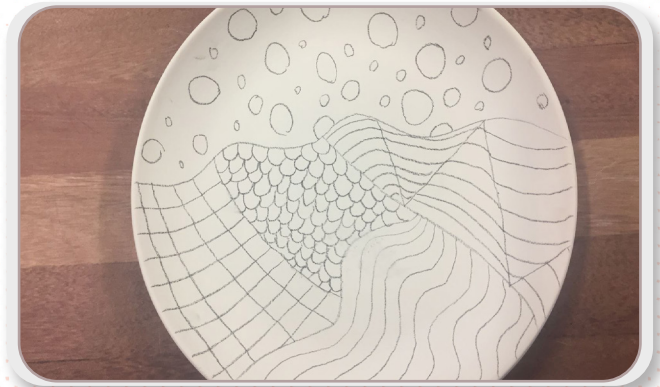

### COLOR USED

- SG-401 Bright Blue
- SG-409 Bright green
- SG-401 Black
- S2101 Crystal Clear Brushing Clear Glaze

#### BUILD

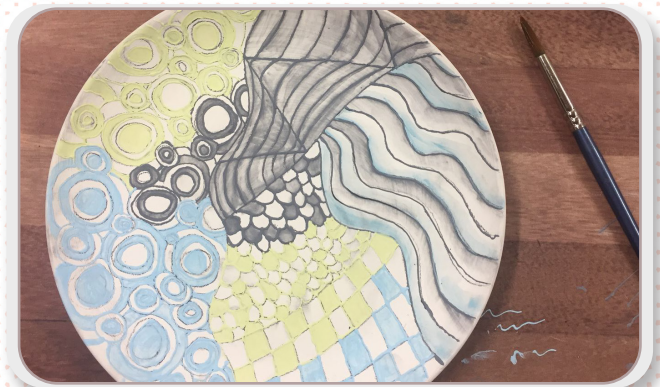

1. Wipe plate with damp sponge to remove any dust

2. Draw out zen tangle design lightly in pencil
3. Separate plate into at least 4 sections
4. Draw in a different repetitive pattern or mark in each section until your plate is fully covered in designs

5. Assign different colors to different sections of your zen tangle
6. Using the designer liner in supplied bottle with writer tip, trace lines with designer liner

7. Once the lines are dry, use a wet brush to pull color from the lines to add a lighter background color - looking similar to watercolor
8. To add more color - squirt a small amount of the

# LESSON PLAN: ZEN TANGLE PLATE

GLAZE

- designer liner on your palette, with a wet brush pick up some color and apply to design
9. Allow design to dry fully
  10. Apply 2 coats of S-2101 brushing clear glaze to plate

11. Glaze fire plate to Cone 06 using stilts
