- SG-406 Brown Designer Liner
- S-2101 Crystal Clear Brushing

Decorating Accessories

- RB-106 Script Liner
- CB-604 Fan Brush

Miscellaneous Accessories

- Sponge
- Water

INSTRUCTIONS

1. Using a wet sponge, wipe down the bisque tile to remove dirt and dust.
2. Lightly trace three circles onto the tile with a pencil.
3. Apply one coat of SC-75 Orange-A-Peel in each circle with the script liner brush. Allow to dry.
4. Apply a second coat in only two of the circles. Allow to dry.
5. Apply a third coat in one of the two coat circles. Allow to dry.
6. Using SC-26 Green Thumb and the script liner brush, create one leaf by the one coat orange, two leaves by the two coat orange, and three leaves by the three coat orange.
7. Using the Brown Designer Liner, draw a stem coming from each of the oranges and onto each of the leaves. Add an upside down "U" shape under the stem and dots on the orange to show texture.
8. Allow to dry.
9. Apply 2 coats of S-2101 Crystal Clear Brushing with a fan brush over the whole tile.
10. Stilt and fire to shelf cone 06.
