## INSTRUCTIONS

1. Using a round brush, apply 2 coats of Amber Ash to the center of the flower.
2. Use a fan brush to apply 2 flowing coats of Rose Granite to the remainder of the plate, including the edges.
3. When the center of the flower is dry, use a round brush to apply one generous coat of Peppermint Twist to the center of the flower.
4. Starting about 1/4" in from the edge of the plate,
5. use a fan brush to apply 2 flowing coats of Oyster Shell to the petals. By leaving the tips of the petal without Oyster Shell, it will give some variation in the petal color.
6. When the front of the plate is dry, flip it over and apply 3 flowing coats of Rose Granite to the back of the plate.
